What makes

Highgate House
Highgate House

so special?

venues with values

the flexibility to be what you want it to be

Sundial Group has a reputation for friendly service and attention to detail that is second to none.

Like all Sundial Group venues, Highgate House provides a unique combination of distinctive accommodation, excellent catering and carefully designed, well-equipped meeting rooms together with a wealth of opportunities for sports and relaxation.

- **Conference Centre**

For over forty years Highgate House has operated as a dedicated conference centre, supplying large and small companies alike with the environment they need for successful events. The largest of its meeting rooms seats 240 people, and our Complete Meeting Package approach to pricing allows for effective and accurate budget management

- **Business Travel & Accommodation**

Highgate House's 98 en-suite bedrooms are located in different parts of the venue, ranging from the older bedrooms in the main house to more modern rooms in other buildings. There is a good mixture of single, double and family bedrooms with baths, showers or both. Bed & Breakfast rates are available.

- **Elegant Venue**

Despite having grown substantially from the home acquired by the Chudley family, Highgate House has lost none of its 17th Century charm and splendour. The beautifully preserved Baronial Hall is a perfect example of how our expansion has been carefully carried out in order to preserve the building's historic features.

- **Weekend Retreat**

This truly beautiful venue sits in 26 acres of gardens and grounds in the charming Northamptonshire village of Creaton, offering extensive leisure facilities including an indoor swimming pool, all-weather tennis court, gymnasium and sauna.

- **Food & Drink**

(Kitchen accredited by the Vegetarian Society)

Using fresh, local produce, a skilled team of chefs prepares delicious cuisine for our guests at Highgate House. Healthy menu options are available at all times and any special requirement can be catered for.

- **Weddings & Celebrations**

On selected weekends Highgate House is available as a wedding or civil partnership venue, and using forty years of hospitality experience, our award-winning staff has the expertise to ensure that the happiest day of your life is also one of the easiest.

In 1964, a beautiful 17th Century coaching inn became home to my parents, Michael and Diana Chudley, and our large family. Having always welcomed guests into their home, they developed a new type of country house venue, combining superb facilities with professional service in an environment conducive to successful group events.

That coaching inn was Highgate House in Northamptonshire, and from these beginnings grew a national business now comprising a number of superb properties. Sundial Group owes its existence to the creativity and energy of 'Mum' and the many people who had the good fortune to work with her.

The culture and values that were established at Highgate House some forty years ago still underpin the Sundial brand. Award-winning as an enterprising, innovative and service-oriented organisation, Sundial Group is determined to ensure the best possible experience for your event.

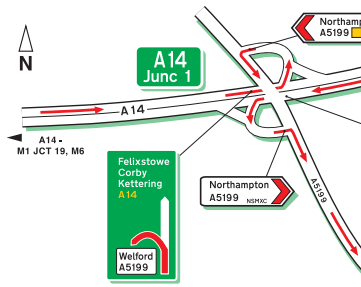

Sundial's Goody Bags
Leading the way in excellent hospitality

What makes Sundial unique in the market is that it remains entirely owned and managed by the Chudley family. This means we focus on giving the very best to our customers. Every time you use a Sundial venue you are our guest and will experience a level of service personally guaranteed by me and my family.

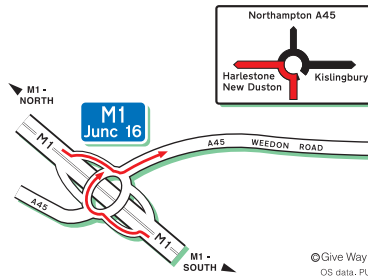

I hope you enjoy your stay with us, whatever your reason for visiting.
